HOW THE JOURNAL REACHES YOU

The ICCA Journal appears four times a year. In order to receive the 1987 Journals, you should subscribe as an ICCA member. The (renewal) fee is now Dutch florins (Hfl.) 50.--, or US $ 20.-- for those residing in North America. This annual fee is valid for the years 1987-1989 inclusive. We stress that this fee ought to be *net* to ICCA, that is, our credit booking, free of all banking charges. However well intentioned they may be, we often receive checks to the amount of Hfl. 50.-- (or equivalent) on which *we* are charged for banking fees. Since these currently amount to some one-sixth of this subscription rate, they are an imposition. Hence, we beg you, when remitting a cheque or any other form of payment, to arrange that it should be net and free of all charges to the recipient, which, after all, is your own ICCA.

For renewals or new subscriptions, US and Canadian readers are invited to remit US $ 20.-- (for 1987) to:

European readers are invited (for 1987) to remit Hfl. 50,-- (or the equivalent in convertible currency) to:

The Postgiro account no. of the AMRO Bank is 46 01 75

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Dr. Schaeffer or Dr. Van den Herik as the case may require.

Those not resident in Europe, the US or Canada are at liberty to remit their dues to either account. However, they are encouraged to use the European account, resulting in the Journal been sent directly from Delft (The Netherlands), which may make for speedier delivery.

Back issues of all Journals (not Newsletters) can be obtained to the extent they are available. Requests should be addressed to the Editor, who will forward them at proportional rates plus a US $ 6.-- (Hfl. 15.--) charge for handling and postage.

For an Institutional Membership, we refer to the Past President's (1986) report, stating, in effect, that they may obtain 6 copies of all the year's issues for a US $ 100.-- annual fee. Institutional Members are also invited to read the Treasurer's Report in the previous issue (Vol. 10, No. 1, especially p.54).
