

## INFORMATION FOR CONTRIBUTORS

Contributors may be interested to know that the *ICCA Journal*, as of Vol. 10, No. 1, is a source for the Institute for Scientific Information® (ISI) for inclusion in the CompuMath Citation Index® (CMCI®), the Automatic Subject Citation Alert (ASCA®) and SCISEARCH®, ISI's on-line database. The Journal is also a source for the Information Company R.R. Bowker for inclusion in the International Serials Database which is a source for Ulrich's International Periodicals Directory and the DIALOG on-line service.

Being included in the CMCI®, the *ICCA Journal* is one of the 400 Journals in mathematics, computer science, statistics, operations research, and related disciplines which is abstracted and/or indexed and/or available as tearsheets; this means that the Journal now is accessible in (on-line) database form.

### Submission of material

Contributions to the Journal are welcomed in any form, although preferably by E-mail or on a MS-DOS formatted 5.25 inch diskette. In case contributors prepare their manuscripts with high-quality wordprocessors, it should be noticed that text-files in VENTURA, TEX or TROFF format are processable directly by the Editors, thereby alleviating their task considerably.
