This collection contains the references to all (scientific) Articles, Notes and Literature Reviews published in the *ICCA Journal*, starting from Vol. 15, No. 1 (March 1992) up to and including Vol. 16, No. 4 (December 1993). This list is a sequel to those published in the *ICCA Journal*, Vol. 12, No. 4, pp. 255-259, covering Vol. 6, No. 3 (August 1983) up to and including Vol. 12, No. 4 (December 1989) and in the *ICCA Journal*, Vol. 14, No. 4, pp. 238-239, covering Vol. 13, No. 1 (March 1990) up to and including Vol. 14, No. 4 (December 1991).

The list is alphabetically ordered by senior author. The symbols following each reference stand for Article (A), Note (N) or Review (R).

As a service to ICCA members, a complete list, merging the previous two lists and the present one, is available on request. This list, presently containing 214 entries, may be obtained free of charge by sending an Email request to "uiterwijk@cs.rulimburg.nl".
