

HOW THE JOURNAL REACHES YOU

The *ICCA Journal* appears four times a year. In order to receive all issues of the 1995 Journal, you should subscribe as an ICCA member. The (renewal) fee is now Dutch florins (Hfl.) 60.--, UK £ 24.-- or US \$ 36.--. The increase of the annual fee has been agreed upon at the Triennial Meeting in Madrid, Spain in November 1992, to be effective as and when necessary. The time has now arrived that, to our regret, this decision has taken effect. For subscriptions, renewals and orders of back issues, readers in **North America** and the **United Kingdom** should send their orders and payment to

ICCA
c/o D.F. Beal
Dept. of Computer Science, Queen Mary and Westfield College
Mile End Road, London E1 4NS / England
Email: icca@dcs.qmw.ac.uk

Payment may be made as follows: UK pounds or US dollars, cash; cheques for UK pounds, from a UK bank account, or Eurocheque only; cheques for US dollars, from a North American bank.

For **all other** subscriptions, renewals and orders of back issues, readers should send their orders and payment to

ICCA
c/o Prof. dr H.J. van den Herik
University of Limburg, Dept. of Computer Science
P.O. Box 616, 6200 MD Maastricht / The Netherlands
Email: icca@cs.rulimburg.nl

Payment may be made as follows: Dutch guilders, cash or Eurocheque: Hfl. 60.--; Dutch guilders, direct bank transfer from abroad: Hfl. 75.--; all other cheques: Hfl. 80.--.

Though it is primitive, valid banknotes in UK pounds, US dollars, or Dutch guilders are still the most effective way of paying your dues neatly and safely. Also it is the cheapest way to transfer your dues free of all charges to the ICCA. Of course, postal regulations require that banknotes are sent by *registered* mail.

For the convenience of readers in countries allowing *direct transfer* to Dutch banks, payment may be made to the ABN/AMRO bank, account no. 45 07 90 878, Maastricht, Helmstraat. If desired, a transfer to postal giro account no. 10 50 085 of the ABN/AMRO bank is acceptable, provided the ABN/AMRO account number and the name of the ICCA are mentioned. While being acceptable, this method imposes charges on the ICCA and payment should be increased by Dfl. 15.-- to compensate.

It is vital that the cheque either be from a bank of the same country as the currency, or be a Eurocheque. International money orders are acceptable only if made out to Prof. dr H.J. van den Herik **by name**. We regret that no other form of payment is acceptable.

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Don Beal or Prof. dr Van den Herik as the case may require. Those using Eurocheques for their payment are requested to **fill in** the 4-digit validation number on the back of their cheques. Otherwise, we cannot cash them.

While stocks last, back issues of the *ICCA Journal* as from Vol. 6, No. 3 (August 1983) up to Vol. 17, No. 4 are still available at US \$ 6.-- each, US \$ 20.-- for any four and US \$ 207.-- for the set up to Vol. 17, No. 4. Please order these as you would order or renew a subscription.

Institutional Membership is at US \$ 144.-- per year and includes six copies of each issue of the Journal. Library subscriptions are US \$ 72.-- per year. A replacement copy for libraries is rated at US \$ 18.-- including handling and mailing.

Other enquiries should be directed to the Secretary/Treasurer, Don Beal, at the address above.

ADDRESSES OF AUTHORS

Ingo Althöfer
Fachbereich Mathematik und Informatik
Schiller-Universität Jena
07740 Jena / Germany

Trevor Fenner
Birkbeck College
University of London
Malet Street
WC1E 7HX London / England

Cock de Gorter
Valkenboskade 607
2563 JE The Hague / The Netherlands

Göran Grotting
Diabasvägen 3
S-43732 Lindome / Sweden

Thoralf Karlsson
Uttermarksgatan 31C
S-63351 Eskilstuna / Sweden

Bradley Kuszmaul
Laboratory for Computer Science

FOUND AGAIN

We have known for a long time that the Editorial offices had magnificent cleaning staff. Recently, we have found that their discrimination extends beyond palpable dirt. Judging by the clean ones they have left us, they clearly must have eliminated many limericks which failed to meet their standards of purity.

A chess engine known as B-CLEANER
Seemed of quite independent demeanour,
But it wasn't at all,
Since, when pressed to the Wall,
It admitted: "Ich bin ein Berliner!"

When lost, he cried out: "No commotion!
Not queening, but knighting the notion...?
So what? Can't you see
That commercials like me
Can *never* risk underpromotion?"
