Call for papers

Ambient Intelligence Forum 2010 (AMIF 2010)
`http://www.amif.cz`

AMIF 2010 will be held in Prague, Czech Republic from September 15th to 17th, 2010.

The vision of the organizers is to cover interdisciplinarity, if not transdisciplinarity of the recent state of the Ambient Intelligence area and to provide a platform for a discussion of its potential positive and negative effects.

1. Topics

Topics of interest include, but are not limited to:

– ambient intelligence
– pervasive intelligence
– ambient assisted living
– ubiquitous computing
– intelligent environment
– interactive environment
– collaborative environment
– intelligent devices
– distributed devices
– user centered design
– ambient services
– intelligent services
– intelligent agents
– experience economy
– context awareness
– smart environments
– knowledge management
– psychological and social aspects
– legal and ethical aspects
– managerial and organizational aspects

2. Doctoral AmI forum

A special track for doctoral students will be organized, with an aim to attract young doctoral students to the area of Ambient Intelligence and support mutual exchange of their experience and results. The best doctoral paper will be awarded.

3. Important dates
