In the original published version, the text of the ethical statement on page 109 contained some errors. Below the correct text of the ethical statement.

2.5. Ethical statement

The study was approved by the Institutional Review Board of Biology Department, Faculty of Nature and Life Sciences, Djillali Liabes University of Sidi-Bel-Abbes, Algeria (registration code: 168/DS/FSNV/2011), and authorized by the Direction of Educational Authorities of each district, in collaboration with SFHSU Physicians (the initial approval date: October 2016). Students and even their parents were consented to fill out the questionnaire.

This has been corrected in the online version of the paper.
