

RESTOR 00227

Erratum

The authors and the publishers would like to make the following corrections

Keeley, R., Atagi, T., Sabelman, E., Padilla, J., Kadlcik, P., Agras, J., Eng, L., Wiedman, T.-W., Nguyen, K., Sudekum, A. and Rosen, J., Synthetic nerve graft containing collagen and synthetic Schwann cells improves functional, electrophysiological, and histological parameters of peripheral nerve regeneration, *Restor. Neurol. Neurosci.*, 5 (1993) 353–366.

The title of this article was incorrect and *should* have been as follows:

Synthetic nerve graft containing collagen and syngenic Schwann cells improves functional, electrophysiological, and histological parameters of peripheral nerve regeneration

The publisher apologises for any inconvenience these errors may have caused.
