

Forthcoming meetings convened by the Conference of European Statisticians

1. Disparities in Foreign Trade Statistics (Geneva, 12–13 November 1990)

This meeting is convened jointly by the ECE Committee on the Development of Trade and the Conference of European Statisticians. It will discuss reasons for existing disparities in foreign trade statistics, reconciliation and improvement of the international comparability of foreign trade statistics and plans for ensuring comparability of European foreign trade statistics after 1992.

2. Eighth Meeting of the Task Force and Fourth Meeting of the Steering Committee of the ECE/UNDP Statistical Computing Project Phase 2 (Prague, Czech and Slovak Federal Republic, 12–16 November 1990)

The meetings will consider and evaluate the results achieved by the Joint Groups which will terminate their joint work within the Project at the end of 1990. The work plans will be prepared for the fields in which the activities in the framework of the Project will continue in 1991.

3. Working Party on Transport Statistics (Geneva, 26–29 November 1990)

This Working Party is convened jointly by the Conference of European Statisticians and the Inland Transport Committee of the Economic Commission for Europe. It will consider the methodological development, harmonization and reconciliation in the field of transport statistics.
