Conference 2: Interplay among genetics, epigenetics and non-coding RNAs

Dear Colleague,

I would like to welcome you to the conference 'INTERPLAY AMONG GENETICS, EPIGENETICS AND NON-CODING RNAs at the Spanish National Cancer Research Centre (CNIO), in Madrid, Spain.

This conference brings together the very top scientists in a given biological field and provides the best possible forum for discussion. I am confident that the conference will be of great interest to the scientific community and attract international attention.

I very much hope that you enjoy this exciting conference and the Madrid visit.

With my personal thanks,

Manel Esteller, M.D., Ph.D.
Director Cancer Epigenetics Group
