ANNOUNCEMENT

FIFTH EUROPEAN CONFERENCE ON CLINICAL HAEMORHEOLOGY

Bordeaux, France, 29 June to 1 July, 1987

The Fifth European Conference on Clinical Hemorheology will take place, as mentioned above, from 29 June to 1 July, 1987. Its Presidents are Professor J. Boivin and Professor J.-F. Stoltz. The Chairman of the Organizing Committee is Professor Michel R. Boisseau.

The principal topics concern the relationship of haemorheological disorders to the circulation of the blood, including the microcirculation. Several Symposia are being organized pertaining to the study of these clinical disorders. Pharmacological and therapeutic aspects will also be dealt with. In an effort to cover associated fields in the medical sciences, mutual sessions are being organized with French and other European Societies of Angiology, Neurology and Thrombosis.

The receipt of abstracts of communications will have to reach the Scientific Secretarial Office not later than 1 March, 1987.

For any other information please contact Professor Michel R. Boisseau, Secrétariat Scientifique, Hôpital Cardiologique et Hémo-biologie, 33 604 PESSAC Cedex, France. Telephone 56 36 24 45 - Telex 560 349 F.

ANNOUNCEMENT

3rd INTERNATIONAL SYMPOSIUM ON CLINICAL HEMORHEOLOGY  
3.º SIMPÓSIO INTERNACIONAL DE HEMORREOLOGIA CLÍNICA

Sintra-Estoril, Portugal 23 - 24 January, 1987

The Third International Symposium on Clinical Hemorheology will be held on January 23 and 24, 1987 at Sintra-Estoril, Portugal. The meeting deals in part with "Hemorheology and Ischemia". There are several other topics which will be presented in different sessions. It is organized by the Portuguese Society of Hemorheology, whose President is J. Martins e Silva.

Inquiries concerning the activities of the Portuguese Society of Hemorheology should be directed to the following:

Secretária-Geral: Carlota Saldanha  
Sociedade Portuguesa de Hemorreologia  
Instituto de Bioquímica  
Apartado 4098

ANNOUNCEMENT

SECOND INTERNATIONAL CONFERENCE ON PHYSIOLOGICAL  
FLUID DYNAMICS

Madras, India

10-12 August, 1987

The Second International Conference on Physiological Fluid Dynamics will be held at the Indian Institute of Technology from 10-12 August, 1987 at Madras, India. It will deal with Micro-circulation, Biorheology, Arterial hemodynamics, Tissue-drug interaction, Red cell deformability and aggregation, Aviation physiology, Atherosclerosis, Measurement techniques, Clinical hemodynamics, High altitude and deep-sea hemodynamics, Biotransport (Kidney, Pulmonary, C.S.F.).

For further information write to:

Dr. Megha Singh  
Organizing Secretary, ICPFD
