

DEDICATION

These pages are dedicated to the memory of our colleague and dear friend George William Scott Blair, Co-Founder of BIORHEOLOGY and its Co-Editor-in-Chief from November 1959 to December 1978.

The photograph of George W. Scott Blair was taken in 1972 during the Banquet of the First International Congress of Biorheology, held together with the Sixth International Congress on Rheology, at Lyon, France.
