#### ANNOUNCEMENT

#### VII. INTERNATIONAL CONGRESS OF BIORHEOLOGY

#### General Information

- 1. Date: Sunday, 18 June to Friday, 23 June, 1989
- <u>Place</u>: Palais des Congrès Rue du Grand Rabbin Haguenauer 5400 Nancy, France. Phone: 83.36.65.10
- 3. <u>Registration</u>: The registration is open to all persons interested in the Congress. The registration fee for participants includes entrance to all scientific sessions, the welcome party as well as a copy of the Congress Program and Abstracts Book. Family members and friends of participants may be registered as accompanying persons.
- 4. <u>Registration fees</u>:

Congress participant: before March 30, 1989: 1 600FF, after March 30: 1 800FF Accompanying person: " " " : 500FF " " ": 550FF

#### SCIENTIFIC PROGRAM

The Congress will consist of Invited Lectures, Symposia, Free Communications, Poster Presentations, Film and Video Sessions.

The Main Topics of the Congress are:

- 1. Cell Biorheology
- 2. Rheological and Physico-Chemical Aspects of Cell Interactions
- 3. Cell Aggregation and Adhesion
- 4. Molecular Biorheology
- 5. Transport Phenomena
- 6. Blood Rheology
- 7. Cellular and Molecular Aspects of Mucus and Cilia
- 8. Rheology of Blood Vessels and of Organs
- 9. Biorheology of Bone, Cartilage and Ligament

- 10. Muscle Cell Biorheology
- 11. Plant Biorheology
- 12. Biorheology of Growth
- 13. Thrombosis - Platelets and Endothelial Cells
- 14. Biorheology of Blood and the Vessel Wall and the
- Microcirculation
- 15. Biorheology related to Artificial Organs
- Biocompatibility and Biomaterials Clinical Applications of Biorheology 16.
- 17.
- 18. New Developments in Clinical Hemorheology
- 19. Methods in Clinical Biorheology
- 20. Biorheology and Pharmacology

## CORRESPONDENCE

All correspondence concerning the Scientific Program should be sent to:

> Prof. J.F. Stoltz, President, Scientific Committee VII. International Congress of Biorheology Centre Régional de Transfusion Sanguine Brabois - 54000 Vandoeuvre les Nancy, France Phone: 83.51.06.41 Telex: 960.429

Congress and Hotel Registration and all correspondence concerning Registration Fees and Social Events should be addressed directly to:

> Palais des Congrès Rue du Grand Rabbin Haguenauer 54000 Vandoeuvre les Nancy, France Phone: 83.36.65.10 Telex: 961.833 Bank Account: VII. International Congress of Biorheology - SNVB 30087/00149/0812326041L/22

418

SIXTH EUROPEAN CONFERENCE ON CLINICAL HEMORHEOLOGY

15 - 17 June, 1989 Frankfurt am Main, West Germany

The Sixth European Conference on Clinical Hemorheology will take place in Frankfurt am Main on 15 to 17, June, 1989 and held at the Old Opera House.

All inquiries should be addressed to:

Prof. A. M. Ehrly, Conference President Zentrum der Inneren Medizin Klinikum der J.W. Goethe Universität 6000 Frankfurt am Main Theodor-Stern-Kai 7 Federal Republic of Germany Telephone: 069/6301 6096

#### ANNOUNCEMENT

# SECOND INTERNATIONAL SYMPOSIUM ON BIOFLUID MECHANICS AND BIORHEOLOGY IN LARGE BLOOD VESSELS

# A Satellite Symposium of the VII. International Congress of Biorheology

25 -28 June, 1989

Munich, West Germany

The Second International Symposium on Biofluid Mechanics and Biorheology in Large Blood Vessels, a Satellite Symposium of the VII. International Congress of Biorheology (18 - 23 June in Nancy, France), will be held on 25 - 28 June, 1989 in Munich, West Germany.

Any information concerning the Satellite Symposium should be addressed to:

Prof. Dieter Liepsch Hal B. Wallis Research Facility Eisenhower Medical Center 39000 Bob Hope Drive Rancho Mirage, California, USA Telephone: (619) 340-3911, Extension 4650

or

Prof. Dieter Liepsch Fachhochschule München Fachbereich 05 Lothstr. 34 D-8000 München 2 F. R. Germany Telephone: 49 89 12007-310

# XII<sup>TH</sup> INTERNATIONAL SYMPOSIUM on STRUCTURE AND FUNCTION OF ERYTHROID CELLS

28-31 August 1989 Berlin, German Democratic Republic

The scientific programme will include lectures, poster sessions and round-table discussions on the following main topics:

- Membranes including Cell Biorheology
- Gene Expression, Differentiation, Maturation
- Senescence, Pathology, Pharmacology of the Erythron
- Metabolism, Hemoglobin
- Malaria, Preservation
- Information: Dr. D. Maretzki, Secretary Institute of Biochemistry Medical Faculty (Charité) Humbolt University Hessische Str. 3/4 1040 Berlin GERMAN DEMOCRATIC REPUBLIC
  - or: Prof. Dr. D. Lerche Institute of Medical Physics and Biophysics Department of Hemorheology and Hemodynamics Humbolt University Invalidenstr. 42 1040 Berlin GERMAN DEMOCRATIC REPUBLIC
