ANNOUNCEMENT

VII. CONGRESS OF THE EUROPEAN SOCIETY OF BIOMECHANICS

8-11 July 1990
Aarhus, DENMARK

The VII. Congress of the European Society of Biomechanics will be held on July 8 through 11, 1990, in Aarhus, Denmark. The congress will cover all aspects of biomechanics, including cardiovascular, orthopaedic, dental, and basic biomechanical research. Key-note lectures will be held on different aspects of biomechanics and biomaterials, including cardiovascular flow dynamics. A precourse will be arranged covering central topics of biomechanics.
