EDITORIAL

Colin G. Caro resigned as Editor because of heavy pressure as Director of a new center at the Imperial College of Science and Technology in London. We should like to thank him for his activities as an Editor and wish him well.

We welcome J.F. Stoltz (France) and G.B. Thurston (USA) as new Editors of BIORHEOLOGY.

This issue contains 60 Abstracts out of 72 Abstracts of papers in biorheology given at the 12. Annual Meeting of the Japanese Society of Biorheology, held at the University of Tsukuba, Tsukuba Science City, Japan from 5-7 July 1989. The remaining 12 Abstracts concern papers on clinical hemorheology and will be published in CLINICAL HEMORHEOLOGY.
