

ERRATUM

In the paper entitled, "Shear rate dependent viscoelastic behavior of human glandular salivas," by W. A. van der Reijden, E. C. I. Veerman, and A. V. Nieuw Amerongen (Vol. 30, No. 2, 141-152), on page 143, line 10, the radius of the measurement tube is given incorrectly as 4.82 mm. The correct radius is 0.482 mm.
