

FIRST FRANCE-ARGENTINA INTERNATIONAL SYMPOSIUM ON BIORHEOLOGY

Preliminary Announcement

The **First France-Argentina International Symposium on Biorheology** will be held in Rosario, Argentina, on September 9 to September 11, 1996. It is sponsored by the French Society of Fundamental and Clinical Biorheology (Chairman, J. F. Stoltz) and the Asociación Argentina de Reología (Chairman, R. J. Rasia).

The Organizing Committee would like to extend our cordial invitation to all to attend the **First France-Argentina International Symposium**. The main themes of the Symposium are the biophysics of cell-cell interaction, the biophysics of cell-tissue interaction, hemorheology and blood circulation, molecular structure and biorheological function, hemodynamics, clinical hemorheology, properties and function of biological fluids and tissues, rheological properties of drugs, pharmaceutical products and cosmetics, and biorheology in biotechnology, and promoting the exchanges of scholarly achievements and cooperation in biorheology. In addition, September is the best season for you to enjoy the wonderful Parana River and its islands.

Dates: September 9–11, 1996

Place: Rosario, Argentina

Call for papers: Deadline for receiving papers: 1 May, 1996. All submitted papers should be made camera-ready in English (on A4 sheets) with a typing area of 165 × 260 mm and must not be longer than four pages. An abstract (typing area, 165 × 100 mm) must be added.

Accommodations: There are several hotels at Rosario. The rate will be as follows: Single room, from \$50 (US) to \$100 (US) per night; double room, from \$60 (US) to \$120 (US) per night.

Registration fee: \$300 (US; about 1500 FF) for delegates, including proceedings, welcoming party, two lunches, coffee breaks, and a one-day tour.

If you wish to be included on our circulation list, and for further information concerning this Symposium, please contact Prof. J.-F. Stoltz or Prof. J. Rasia-Valverde at the following addresses:
