ANNOUNCEMENT

SEVENTH EUROPEAN CONFERENCE ON CLINICAL HAEMORHEOLOGY

16 - 19 JULY, 1991

SOUTHAMPTON, ENGLAND

The Seventh European Conference on Clinical Haemorheology will be held at the Bolderwood Conference Centre, University of Southampton. Accommodation will be available at University Residences on site.

A broad range of topics relevant to Clinical Haemorheology will be covered. Symposia will include: *Epidemiology, White Cell Rheology and Ischaemia, Blood/Vessel Wall Interactions, Comparative Haemorheology, Blood Substitutes, Design of Drug Trials, Testing of Pharmacological Agents, Sports and Exercise, Prostheses and Extracorporeal Circulation, Effects of Contrast Media.*

Enquiries and requests for further information should be addressed to:

Dr. S. Roath,
Conference President,
University Haematology,
Room LF64,
South Academic Block,
Southampton General Hospital,
Southampton SO9 4XY,
U.K.

SECOND ANNOUNCEMENTINTERNATIONAL CONFERENCE ON HEMORHEOLOGY OF
CEREBROVASCULAR DISORDERSSHANGHAI, P R CHINA
24-28 JUNE 1991

Under auspices of the Shanghai Association for Science and Technology, Shanghai Biophysical Society, Biorheological Committee of China Biophysical Society, and International Society of Biorheology. Sponsored by Shanghai Medical University and Shanghai Institute of Physiology Academia Sinica.

Our intention is to meet about 100 of Chinese scientists to interchange information on hemorheology (and obtain information on Chinese Traditional Medicine), and to build bridges for the future between China and the Western World, and possibly some international cooperation in the future.

The prominent non-Chinese speakers include STOLTZ (Nancy), SEAMAN (Palm Springs), MEISELMAN (Los Angeles), DIPERRI (Siena), LECHNER (Graz), HARDAWAY (El Paso), ISOGAI (Tokyo), FORCONI (Siena), EHRLY (Frankfurt), THOMAS (London), GOSSLINGA (Amsterdam), HILDESHEIMER (Tel Aviv), HELLUMS (Houston), YEDGAR (Jerusalem), YAMAGUCHI (Osaka), MARTINS e SILVA (Lisbon), SENIN (Perugia), VENTURA (Perugia), ERNST (Vienna), TSUSHIMA (Osaka), HOBBS (Melbourne), ARTMANN (Aachen), YARNELL (Cardiff), SHIGA (Osaka), ALLEGRA (Rome), CIUFFETTI (Perugia), PUNIYANI (Bombay), MARKOV (Sofia), SRIVASTAVA (Papua New Guinea), GURMAN (Soroka), LERCHE (Berlin), BREW (Kensington), YEOLEKAR (Bombay), RYASINA (Moscow), KOSHELEV (Moscow), PARNETTI (Perugia), NORDT (Portland), MCLEOD (Sydney), ZHANG (Edmonton), FIORI (Abano Terme), and many others.

For information contact: CONVENOR & CHAIRMAN: Shi Yong-de, Secretary General of Shanghai Biophysical Society, Vice Secretary General of China Biophysical Society, Department of Biophysics, Shanghai Medical University, 138 Yi Xue Yuan Road, Shanghai 200032, China. Fax 86 21 4330543, Cable: 0833, Phone: 86 21 4311900 (ask for biophysics), Telex 33325 SFMC CN

Co-CONVENOR & Co-CHAIRMAN: Prof. E. Ernst, Allgemeines Krankenhaus der Stadt Wien, Universitätsklinik für Physikalische Medizin, A-1090 Wien, Alserstrasse 4/Hof 7, VIENNA, AUSTRIA. Phone: 0222-40400 2308

TREASURER/SECRETARY: Dr. Chen Pei-jing, International Affairs Dept., Shanghai Association for Science and Technology, 47 Nanchang Road, Shanghai 200020, China. Fax: 86 21 3721566, Cable: 7796, Phone: 86 21 3721566, Telex: 33636 SAST CN

This Conference was suggested and organized by the late Leopold Dintenfass, Vice President of the International Society of Biorheology. He was Pre-Co-CONVENOR and Co-CHAIRMAN of the Conference. Unfortunately, he died on 4 August, 1990. According to his wishes, expressed during his illness, his position will be taken by Edvard Ernst.
