ANNOUNCEMENT

BEIJING SATELLITE SYMPOSIUM OF THE EIGHTH INTERNATIONAL CONGRESS OF BIORHEOLOGY

August 11–13, 1992, Beijing, China

Sponsorship
The Chinese Society of Theoretical and Applied Mechanics
The Chinese Society of Biomedical Engineering
The Biophysical Society of China

Scientific Programme
Contributions on all aspects of biorheology are welcomed. The symposium will mainly consist of oral presentations. All abstracts submitted will be reviewed by the Programme Committee. Authors will be notified of the acceptance of their contribution by May 1st, 1992.

Abstracts
Participants who wish to present a communication are requested to send abstracts to the Executive Secretariat before March 1st, 1992. The abstracts should consist of two parts:

1. A short abstract should be made camera-ready in English on white bond paper with typing area of 165 × 118 mm² (width × height). The abstracts will be published in the journal of BIORHEOLOGY. Sample of typing format will be sent to the participants.

2. An extended—abstract in English on white bond paper of 210 × 297 mm² (A4) with a typing area of 145 × 210 mm² is requested. This abstract must be limited within 4 pages. The extended—abstracts will be collected in the Proceedings of the symposium. It will be distributed to all the participants at the symposium. This abstract will not interfere with further publication of the same content as a paper for any scientific journals.

Accommodation
Pleasant, reasonably priced accommodation will be available to symposium participants.

Single: US $ 45–55 per night
Double: US $ 25–30 per night

ANNOUNCEMENT

16TH WORLD CONGRESS OF THE INTERNATIONAL UNION OF ANGIOLOGY

PARIS - Palais des Congrès de Paris
September 13th to 18th, 1992

The Congress will be held in France, Paris, from September 13th to 18th, 1992. Its President will be Prof. Henri BOCCALON. This Congress is being organized by the International Union of Angiology and will have a large Scientific Program of Lectures, Round Tables, Free Communications, Symposia, Educational Program for vascular nurses, as well as a commercial exhibition and social activities.

The main topics to be dealt with are arterial, venous, microcirculatory and lymphatic diseases and more specifically:

- Microcirculation disorders and critical ischemia
- Vascular pathology and gerontology
- Therapeutics and Hemostasis:
  * Clinical applications of prostanoids
  * Low Molecular Weight Heparins.
- Hemorheology:
  * Leucocytes flux
  * Hemorheology, red blood cells aggregation and microcirculation.
- Venous thromboemboitic disease:
  * Biological aspects
  * Antithrombotic therapy: the state of the art.
- Cutaneous microcirculation and plastic surgery.
- Diabetes and vessels

The deadline for submission of abstracts is December 31st, 1991.

The registration fee up to June 30th, 1992 is FF 3,000 for participants and FF 1,000 for accompanying persons.
