ERRATUM

In the Foreword and Editorial by A.L. Copley and S. Witte to the Special Issue of CLINICAL HEMORHEOLOGY Volume 5, No. 1, Symposium IV: Rheological Aspects of Plasma Separation and Plasma-pheresis, we stated that its Guest Editors are E.F. Leonard and H.G. Sieberth. To our great regret this identification of the Guest Editors of this Symposium was not given on the title page of the Symposium, which erroneously gave as Editors, A.L. Copley and H. Schmid-Schönbein. It is unfortunate also that the names of the two Guest Editors - Professor E.F. Leonard and Professor H.G. Sieberth - were not given, as is always done, on the title page of each contribution to the Symposium. This, most unfortunately, was done due to the most regrettable oversights by the Executive Editorial Office and the Production Department of Pergamon Press, Inc. We and the Publisher apologize for this inexcusable error.
