FIFTH EUROPEAN CONFERENCE ON CLINICAL HEMORHEOLOGY

WELCOME ADDRESS

Michel R. Boisseau  
Scientific Secretary of the Conference

On behalf of the Organizing Committee, I have the pleasure and the honour, as Dean at the Medical School, to welcome you to Bordeaux.

I hope that you will feel a keen pleasure in staying in our City and in our region. The Aquitaine is quite at the south of Europe, open towards Spain and overseas countries. Well known for a long time for its wines and forests, Bordeaux is also a scientific center, honoured by your participation at this Fifth European Conference on Clinical Hemorheology.

Thank you for your coming and have a good time in Bordeaux!
