EDITORIAL

BIORHEOLOGY IN ITS TWENTY-FIFTH YEAR OF PUBLICATION

We regret that two paragraphs on page 3 have been omitted inadvertently in the republication of the Editorial from page 3 of BIORHEOLOGY, 25, 1-4, 1988.

The first of these two paragraphs follows the first full paragraph on page 5 of the uncorrected page as follows:

"We gladly welcome the following nine colleagues as new Editors of BIORHEOLOGY: J.R. Casley-Smith (Adelaide, Australia), Dietmar Lerche (Berlin, German Democratic Republic), Hideyuki Niimi (Osaka, Japan), Norio Oshima (Ibaraki, Japan), Edith Puchelle (Reims, France), Robert S. Reneman (Maastricht, Netherlands), Geert W. Schmid-Schönbein (La Jolla, California, USA), Leonard Weiss (Buffalo, New York, USA), and Feng Yuan Zhuang (Beijing, China)."

The second missing paragraph follows the second full paragraph of the uncorrected page 5 as follows:

"When this double issue was about ready to go to press we learned the very sad news that Takehiko Azuma died on 13 December, 1987. We are pained about the untimely loss of our friend and colleague. An obituary is planned for a forthcoming issue."
