

HOW THE JOURNAL REACHES YOU

The *ICCA Journal* appears four times a year. In order to receive the 1990 Journals, you should subscribe as an ICCA member. The (renewal) fee is now Dutch florins (Hfl.) 50.--, or US \$ 30.-- for those residing in North America. This annual fee is valid for the year 1991 and has been confirmed for the period 1989-1992 at the Triennial Meeting in Edmonton, Alberta in June 1989. Below we discuss the *European* money-transfer possibilities.

We stress that the fee ought to be *net* to ICCA, that is, our credit booking, free of all banking charges. However well intentioned they may be, we often receive checks to the amount of Hfl. 50.-- (or equivalent) on which we are charged for banking fees (transfer commission or execution commission). Since these currently amount to a third of the subscription rate, they are unacceptable. Hence we stress that when remitting, you state the amount to be paid in Dutch guilders *net*. This can be effectuated most easily by sending us a Eurocheque or Postal Order (with charges to you). In any case, state the amount in Dutch guilders please.

Although there is a minor risk, we also accept banknotes forwarded to us by post delivery. It is a primitive but effective way of paying your dues and a perfect way of transferring your dues *net* and *free of all charges* to what is after all your own ICCA.

To sum up, the possibilities of paying the renewal fee are

(1) cash Hfl 50.-- (2) Eurocheque Hfl 50.-- (3) Direct Bank transfer Hfl 65.-- (4) all other cheques Hfl 70.--

For renewals or new subscriptions, US and Canadian readers are invited (for 1991) to remit US \$ 30.-- to:
