

## MAKE SURE THE JOURNAL REACHES YOU

This is the last issue of the *ICCA Journal* to appear in 1994. Your membership has formally expired by December 31, 1994. In 1994 you should have received four Journals as due to you under your membership. In order to receive all issues of the 1995 Journal, you should subscribe as an ICCA member. The (renewal) fee is now Dutch florins (Hfl.) 60.--, UK £ 24.-- or US \$ 36.--. The raising of the annual fee has been agreed upon at the Triennial Meeting in Madrid, Spain in November 1992, to be entered upon as and when necessary. The time has now arrived that, somewhat to our regret, this decision must be enforced. For subscriptions, renewals and orders of back issues, readers in **North America** and the **United Kingdom** should send their orders and payment to

ICCA  
c/o D.F. Beal  
Dept. of Computer Science, Queen Mary and Westfield College  
Mile End Road, London E1 4NS / England  
Email: icca@dcs.qmw.ac.uk

Payment may be made as follows: UK pounds or US dollars, cash; cheques for UK pounds, from a UK bank account, or Eurocheque only; cheques for US dollars, from a North American bank.

For **all other** subscriptions, renewals and orders of back issues, readers should send their orders and payment to

ICCA  
c/o Prof.dr. H.J. van den Herik  
University of Limburg, Dept. of Computer Science  
P.O. Box 616, 6200 MD Maastricht / The Netherlands  
Email: icca@cs.rulimburg.nl

Payment may be made as follows: Dutch guilders, cash or Eurocheque: Hfl. 60.--; Dutch guilders, direct bank transfer from abroad: Hfl. 75.--; all other cheques: Hfl. 80.--.

Though it is primitive, valid banknotes in UK pounds, US dollars, or Dutch guilders are still the most effective way of paying your dues neatly and safely. Also it is the cheapest way to transfer your dues free of all charges to the ICCA. Of course, postal regulations require that banknotes are sent by *registered* mail.

For the convenience of readers in countries allowing *direct transfer* to Dutch banks, payment may be made to the ABN/AMRO bank, account no. 45 07 90 878, Maastricht, Helmstraat. If desired, a transfer to postal giro account no. 10 50 085 of the ABN/AMRO bank is acceptable, provided the ABN/AMRO account number and the name of the ICCA are mentioned. While being acceptable, this method imposes charges on the ICCA and payment should be increased by Dfl. 15.-- to compensate.

It is vital that the cheque either be from a bank of the same country as the currency, or be a Eurocheque. International money orders are acceptable only if made out to Prof.dr. H.J. van den Herik **by name**. We regret that no other form of payment is acceptable.

Please include a correct statement of your mailing address. (We keep receiving payments without addresses!) Should your mailing label be erroneous or when changing residence, please return an amended label to Don Beal or Prof.dr Van den Herik as the case may require. Those using Eurocheques for their payment are requested to **fill in** the 4-digit validation number on the back of their cheques. Otherwise, we cannot cash them.

While stocks last, back issues of the *ICCA Journal* as from Vol. 6, No. 3 (August 1983) up to Vol. 17, No. 4 are still available at US \$ 6.-- each, US \$ 20.-- for any four and US \$ 207.-- for the set up to Vol. 17, No. 4. Please order these as you would order or renew a subscription.

Institutional Membership is at US \$ 144.-- per year and includes six copies of each issue of the Journal. Library subscriptions are US \$ 72.-- per year. A replacement copy for libraries is rated at US \$ 18.-- including handling and mailing.

Other enquiries should be directed to the Secretary/Treasurer, Don Beal, at the address above.

## ADDRESSES OF AUTHORS

Dennis Breuker / Jos Uiterwijk /  
Jaap van den Herik  
University of Limburg  
Department of Computer Science  
P.O. Box 616  
6200 MD Maastricht / The Netherlands

Arie de Bruin / Wim Pijls  
Erasmus University  
Department of Computer Science  
P.O. Box 1738  
3000 DR Rotterdam / The Netherlands

Christopher Chabris  
HCC Associates  
P.O. Box 2967  
Harvard Square Station  
Cambridge, Ma 02238 / USA

Paolo Ciancarini  
Department of Mathematics  
University of Bologna,  
pza. di Porta S. Donata 5  
40127 Bologna / Italy

Göran Grotting  
Diabasvägen 3  
S-43732 Lindome / Sweden

Thoralf Karlsson  
Uttermarksgatan 31C  
S-63351 Eskilstuna / Sweden

Danny Kopec  
Dept. of Computer Science  
United States Coast Guard Academy  
15 Mohegan Avenue  
New London, CT 06320-4195 / USA

Peter Kouwenhoven  
Talinghof 4  
2623 NR Delft / The Netherlands

Ulf Lorenz / Valentin Rottmann  
University of Paderborn  
Department of Computer Science  
Warburgerstr. 100  
4790 Paderborn / Germany

Aske Plaat  
University of Alberta  
Department of Computing Science  
Edmonton, Alberta T6G 2H1 / Canada

The addresses of authors not mentioned above will be found elsewhere in this issue.

## LOST AND FOUND

A few limericks have been found floating around the Editorial offices. Being anonymous, we should not publish them. We make an exception this time, because they seem to be well-laundered.

Since 'wring' in the past isn't 'wrought'  
Nor does preterite 'thing' make for 'thought',  
Let's make sure, for good sense,  
That regardless of tense  
In our programs our King won't be kought.

The British, in awe, move a Bishop, one who'll  
Over see unto shining see rule,  
While the secular French, when at bay, do  
A contemptuous shove at their lay *fou*,  
Deserving no better – he is such a fool!
