Compiled by Jos Uiterwijk

The list is alphabetically ordered by senior author. The symbols following each reference stand for Article (A), Note (N) or Review (R).

As a service to ICCA members, a complete list, merging the previous three lists and the present one, is available on request. This list, at present containing 249 entries, may be obtained free of charge by sending an Email request to uiterwijk@cs.rulimburg.nl. When applying, please state whether you wish to have the ascii or postscript format. Also, as a new service, the list can be obtained by anonymous ftp from the site ftp.cs.rulimburg.nl in the directory pub/papers/uiterwyk by filename ICCA_J.toc.asc (ascii format) or ICCA_J.toc.ps (postscript format), and is accessible on the Internet at URL http://cs.rulimburg.nl/uiterwyk/ICCA_J.toc.htm.
