HOW THE JOURNAL REACHES YOU

The ICCA Journal appears four times a year. In order to receive the 1985 Journals, you should subscribe as an ICCA member. On the initiative of ICCA's President, the (renewal) fee is now US $ 10.-- plus a US $ 5.-- surcharge, the latter pending approval by the 1986 Triennial Meeting.

For renewals or new subscriptions, US and Canadian readers are therefore invited to remit US $ 15.-- (for 1985) to:

Please include a correct statement of your mailing address. (We keep receiving payments without addresses! One of these puzzles is not solved yet.) Moreover, we remark that Banking fees are not included in the $ 15.-- (or Hfl. 45.--) subscription. Should your mailing label be erroneous or when changing residence, please return an amended label to Mr. Blanchard or Mr. Van den Herik as the case may require.

Those not resident in Europe, the U.S. or Canada, are at liberty to remit their dues to either account. However, they are encouraged to use the European account, resulting in their Journals being sent directly from Delft (The Netherlands), which may make for speedier delivery.
