Biopharmaceuticals in the Russian Federation: A snapshot of policies for registration, reimbursement and use

Lilia E. Ziganshina, Ravil R. Nyazov and Airat U. Ziganshin

[*International Journal of Risk & Safety in Medicine* **21**(1,2) (2009), 75–88]

In this article as originally published, the following should be corrected.

Two referrals to Table 3 in the discussion (the third line of the Discussion section, page 85), should in fact be referrals to Table 4.
