Post-Transcriptional Regulation of Soluble Guanylate Cyclase that Governs Neuropathic Pain in Alzheimer's Disease

Heng Xu, Chengjin Yue and Lin Chen

[*Journal of Alzheimer's Disease*, **71**(4) 2019, 1331-1338, DOI 10.3233/JAD-190743]
<https://content.iospress.com/articles/journal-of-alzheimers-disease/jad190743>

On page 1331, Lin Chen is given as the first author.

However, both Chengjin Yue and Lin Chen should both be given as co-first authors. Both authors contributed equally to the work.
