<https://doi.org/10.3233/JAD-210601>

In the Acknowledgements section on page 743 of the original version of this article, the acknowledgements read as follows: 'The authors acknowledge that some of this work was performed at the Sao Paulo Autopsy Center and in the Gerolab at FMUSP, Sao Paulo. All data contained in this manuscript were collected by staff funded by NIH grant R01AG54058. All data was collected by electronic systems set up and run by the PI and his staff at the Rush Alzheimer's Disease Center, Rush University Medical Center, Chicago. Authors' disclosures available online (<https://www.j-alz.com/manuscript-disclosures/21-0601r2>).'

However, the authors would also like to thank the study participants, the Fundação Faculdade de Medicina (FFM), the Autopsy Service (SVOC) at the University of São Paulo (USP), and FMUSP, where the project was conducted from 2016 until September 5, 2019 under the name SANDS. Additionally, the full name of FMUSP, Faculdade de Medicina da Universidade de São Paulo, is now given.

As such, the correct and updated Acknowledgements section has been placed below.

ACKNOWLEDGMENTS

The authors acknowledge that some of this work was performed at the São Paulo Autopsy Center and in the Gerolab at Faculdade de Medicina da Universidade de São Paulo (FMUSP), São Paulo. All data contained in this manuscript were collected by staff funded by NIH grant R01AG54058. All data were collected by electronic systems set up and run by the PI and his staff at the Rush Alzheimer's Disease Center, Rush University Medical Center, Chicago. We thank the study participants, the Fundação Faculdade de Medicina (FFM), the Autopsy Service (SVOC) at the University of São Paulo (USP), and FMUSP, where the project was conducted from 2016 until September 5, 2019 under the name SANDS. Authors' disclosures are available online (<https://www.j-alz.com/manuscript-disclosures/21-0601r2>).
