

Editorial

With this issue of the JVR, there are two changes in the Editorial Board. Dr. Ja-won Koo has relinquished his position as a member of the Editorial Board. Dr. Koo has served on the Editorial Board of the Journal of Vestibular Research since 2012.

We welcome a new Editorial Board member, Dr. Bryan Ward. Dr. Ward is an otolaryngologist/neurotologic surgeon with expertise in vestibular function.

I also wish to thank each and every member of the Editorial Board of JVR for their work maintaining and improving the quality of the Journal. Editorial

Board members regularly are asked to assist with the peer review process and to advocate for the Journal. Their efforts are very much appreciated.

And finally, I wish to thank all those members of the vestibular research community who have volunteered their time to review manuscripts submitted to JVR. Their efforts enable JVR, the official Journal of the Bárány Society, to continue as a peer-reviewed forum devoted exclusively to vestibular research.

Joseph M. Furman
Editor-in-Chief
