
About the Upcoming Issues

I continue to receive an increasing number of unsolicited papers for publication in the *Journal of Vocational Rehabilitation*. Some of those may fit into future themes already established. If possible, we will try and work them in. If not, I will return them as soon as possible.

Over the next year, I will be looking for two to four new themes to develop issues around. We do have the following well underway and they will have exciting content:

Topic	Guest Editor
■ Visual Impairment and Multiple Handicaps	Steve Lyon, Ph.D. University of Pittsburgh
■ Career Development and Training	Adelle Renzaglia, Ph.D. University of Illinois
■ Community Integration	Al Condeluci, Ph.D. United Cerebral Palsy, Pittsburgh
■ Parent and Family Involvement	Rud Turnbull and Ann Turnbull University of Kansas
■ Personnel Preparation and Training	Martha Walker, Ph.D. Kent State University Susan Brody-Hasazi, Ph.D. University of Vermont

Let me know if you are interested in developing an issue.
