

Call for Papers

Dear Authors,

A special issue of MASA Volume 4 (2009) No 4 would be devoted to the teaching statistics problems. Please submit your works that could help lecturers and students, and facilitate the process of teaching and learning.

The papers should be received up to June 30th, 2009, to be considered for issue 4 (2009) No 4; otherwise, the papers can be included into the next issues.

Guest Editor for MASA 2009,
