

Call for Papers

Dear Authors,

A special issue of *Models Assisted Statistics and Applications* (MASA) issue #4, volume 7, 2012, will be devoted to

Recent Developments in Statistical Methods for Medical Research.

The submission deadline for this special issue is August 31st, 2012. The Guest Editor will be Dr. Wenyaw Chan, Professor of Biostatistics, University of Texas – Health Science Center at Houston. Please send your papers to the following email address: wenyaw.chan@uth.tmc.edu. When submitting, please also include the names of 3 possible referees.

MASA Co-Editor-in-Chief,
Dr. Stan Lipovetsky
