And special thanks to:

- Guest Editor Professor Wenyaw Chan, University of Texas, Houston, TX, USA, for organizing the special issue MASA v.8, #2, 2013 on Recent Developments in Statistical Methods for Medical Research;
- Editor-in-Chief Dr. Sarjinder Singh, Texas A&M University-Kingsville, TX, USA, for organizing the coming special issue MASA v.9, #1, 2014 on Randomized Response Sampling.

We all congratulate Dr. Sarjinder Singh with his 50^{th} anniversary, and with his great accomplishments in science and teaching, as well as with his success in creating MASA journal. We wish Dr. Sarjinder Singh all the best in his future achievements on behalf of all the statistical community!
