

From the Editor

I hope you are enjoying our dynamic website for *WORK* located at workjournal.org. You can read the blogs by Dr. Valerie Rice: Mindful Moments: Mindfulness and Self-Compassion and Dr. Jennifer Long - Vision@WORK, view *Learn at WORK* webinars, the table of contents from issues of the journal and much more.

This issue of *WORK* contains 22 articles, two of which are in our *IEA Special Section, Ergonomics in a Global World*: Maximum handgrip strength as a function of type of work, and hand-forearm dimensions and Design-in-use applied to Brazilian agriculture: the case of citrus and sugarcane harvesting. The remaining 20 articles are authored by scientists, researchers and clinicians from around the globe. These articles are on a variety of topics such as lifting, the effects of cycle and treadmill desks on work performance and cognitive function, income and employment equity, dentistry, tablet use, work-related threats and violence, sleep among others.

I hope you are continuing to enjoy our webinar series, *Learn at WORK*. Here is the schedule for the upcoming 2020 *Learn at WORK* webinars:
